## RAPID SYNC

 MOTOR ADVANTAGEPerfect for HIIT workouts, Johnson motors featuring Rapid Sync Technology respond to changes in speed and incline faster than traditional home treadmill drive systems. With no lags or delays between interval changes, you'll never fall out of step with your fast-paced workout class again.

## CONVENIENT

 QUICKDIAL CONTROLSMake swift changes to speed and incline without breaking your stride with QuickDial controls. On the right, roll the dial forward to increase speed and roll it back to decrease speed. On the left, roll it forward
to go up the hill and roll
it back to come back down.
