### JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

PerfectStride combines an ideal stride motion and ergonomically correct foot positioning with a variable stride length for a smooth, natural workout experience as you adjust incline to target the muscles you want to work most.

Exact Force Induction Brake offers instant, smooth, precise resistance changes at the push of a button, and with no moving parts, it's quieter and more durable as well.

Suspension Elliptical Technology features a wheel- and track-free design to reduce noise and friction for long-lasting quality while providing a smooth, consistent feel through the ellipse.

## XIR

### THE ULTIMATE IN ENTERTAINMENT

Our finest console includes a stunning HD display and an intuitive home screen that offers easy access to entertainment. Includes expanded Bluetooth connectivity to user devices.

## JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Our integrated ViewFit connectivity system sends workout data to the fitness apps and tools you already use. It also makes it easy to share data in your favorite social networks.

This scientifically validated high-intensity interval training program burns fat and builds muscle in short workouts that anyone can fit into their schedule.

Passport compatibility makes it easy to experience the global HD destination footage of our immersive Virtual Active program on your big screen.
