

EXPERIENCE THE EVOLUTION OF EXERCISE

Our Evolve 3.0 Treadmill makes it easy to start your new fitness journey, even if you don't have a lot of space or time for setup. The stylish, refined design includes Bluetooth to connect to popular fitness apps and heart rate monitors, plus an intuitive LED display, 12 workout programs and a console that adjusts to any angle. Despite its expanded running area, Evolve 3.0 features a compact footprint to fit your space. Perhaps best of all, it assembles quickly and easily, so you can start your journey to a fit new you right away.

- Sleek, streamlined design styled and optimized for the home
- Bluetooth connects to popular fitness apps and HR monitors
- Intuitive LED display makes it easy to get started

- 12 programs keep every workout fresh
- Large surface makes room for hard runs
- Assembles quickly with minimal tools and hardware
