

GR6

RIDE YOUR WAY

To bring the feel of real road cycling right into your home

GR Series Indoor Cycles aren't exercise bikes — they're true indoor cycles created for people who want a more inspiring, more motivating, more engaging way to ride. Each thoughtfully designed GR Indoor Cycle is precision-engineered to bring the feel of real road cycling to your home.

FEATURES

- Multi-adjustable handlebars and seat make it easy for users of all sizes to find a comfortable riding position
- Magnetic resistance system provides instant, smooth adjustments to challenge
- Optional LCD console offers real-time feedback and a variety of workout programs, plus unique Glow Ride lighting system that lead riders through three different phases of riding to simulate road cycling
